

WARRIOR™ GEMI SHIELD CLEANER

ANTIVIRAL / ANTIMICROBIAL CLEANER

Warrior™ Gemi Shield is an antiviral/antimicrobial cleaner developed by Reinste Nano Ventures Pvt. Ltd. Using Nano silver technology, this cleaner is capable of killing up to **99.99% microbes and viruses** (as per test result for non absorbent surface ISO:22196:2011) on any solid non-absorbent surface.

One single application of Warrior™ Gemi shield gives you 3-4 days surface protection so you can be more than reassured of extra protection against invisible threats.

How Warrior™ Gemi Shield Cleaner is unique?

- Strong antiviral and antibacterial effects.
- Suitable for leather, metals and polished surfaces.
- The effect remains after soft cleaning and wiping.
- Provides self-sanitizing and germ-resistant surface.

Coatings are available in 1Ltr and 5 Ltr pack sizes.

#Pictures are for the representation purpose only.

Tests Conducted and Passed

- Antiviral Test for non absorbent surfaces as per ISO: 21702 (99.99% SARS CoV-2 virus neutralization achieved)
- Antibacterial Test for non absorbent surfaces as per ISO:22196:2011 (99.9% bacterial kill efficiency® achieved)

Antiviral /Antimicrobial Specifications

- Backed by Superior Ag⁺ technology
- Inhibits the growth of virus, bacteria and microbes.
- Nanosilver technology has also proven effective against SARS-CoV-2 viruse.
- Active Silver particles can be integrated homogeneously into all substrates as easily as usual dye pigments.
- Ag⁺ technology does not contain any unnecessary filler & is processable at high temperatures as the stability of the Ag particles are excellent even at temperatures above 300°C.
- AgPURE™ Silver is non-toxic to humans and animals.

DISCLAIMER: This is not a medical device & for use only as a paint/ coating, does not guarantee against infections and is not a cure.
